About Us

Happy at Home – In Home Care Inc. takes the privilege and responsibility of caring for your loved ones very seriously. We are a family owned, locally operated business, and are fully insured, certified and bonded. We strive to deliver the best quality in home care in Southwestern Pennsylvania.

Located in the South Hills of Pittsburgh, we believe clients that receive compassionate care in the comfort of their home feel safer. In turn, this will have a greater impact on their health and recovery. From the beginning, we have and continue to, provide our clients the most reliable, compassionate home care, suitable to their needs. Our organization will go the extra mile to exceed your expectations, and provide the only best care for you or your loved one.

We know that you are entitled to excellent care that promotes your independence and protects your dignity. At **Happy at Home**, we hire caregivers and staff members who are carefully screened to ensure that your needs and demands are satisfactorily provided. Their work experiences and background records are thoroughly verified, enabling us to get the most qualified caregiver whom you can always trust.

Our services are centered on your overall well-being, and throughout the course of your services you can relax, knowing that your caregiver is qualified to provide the care needed. We want our caregivers to be experienced and compassionate, as well as someone that we would want in our own home.

Our Mission Statement

Our mission is to deliver the highest quality and most trusted non-medical in-home care in the industry. Working with each client to ensure they enjoy their life to the fullest in an independent and safe environment in their home.

We will live our motto in everything we do... **Helping People Stay at Home – With Helping Hands!**

Respite Care

Happy at Home – In Home Care Inc. values the important roles of family caregivers in caring for you and your loved ones. They too need time for themselves and to relax after a period of caregiving service. Respite care is here to provide short-term breaks for your loving family caregivers. Our respite care services will allow your family caregivers time to rest, do shopping and other personal errands.

Happy at Home – In Home Care Inc. has caregivers who are carefully selected to provide you with the care you truly need. They are highly-trained and experienced caregivers who can fully deliver excellent care in your home. Through our respite care service, your loved ones will have the peace of mind because they know that there is a qualified caregiver who can temporarily serve you. Respite care gives your family caregiver a time to rest even for a short period of time.

Happy at Home – In Home Care Inc. does not discriminate against any person on the race, creed, color, national origin, sex, disability, or age in admission, treatment, or participation in its programs, services and activities, or in employment.
